

# 1985 Ford Bronco XL V8, 4WD

## \$5850.00

**Classic Beast, Beautifully Restored!**  
**Reliable work or off road truck**

VIN - 1FMDU15N7FLA80092

**Only 2,000 miles since being rebuilt, and 135,000 total vehicle miles**

With only two owners, this 1985 Ford Bronco full size has been beautifully restored with a completely rebuilt engine. I bought the Bronco from a former UPS mechanic as a restoration project. I now have a new car and truck, and need to sell this one. About \$13,000 has been put into this project.

- New RECON rebuilt engine, V8
- MAACO Supreme paint with undercoat
- 5 new Dakota RVT 31x10.50R15, 50K mile off road tires on new steel wheels
- New fuel system including new tank, pumps, and lines
- New alternator and starter
- New upgraded air conditioner that's ice cold
- Extra set of reconditioned heads and spare parts from rebuild
- New exhaust system and muffler
- New belts, hoses, and plugs
- Passes emissions testing
- Truck cover, spare tire cover, and tire lock included

Original sales receipt and NADA vehicle history report provided. Vehicle registered without title. (You will be able to register the vehicle in any state, and have full documented ownership. The state will not reissue a new title.)
